

HANDS ON HENRY

Project Application Form

12th Annual Hands On Henry Day

Saturday, April 17, 2010 8:00 a.m.-12:00 p.m.

Sponsored by Leadership Henry 2009-2010 ~ A Program of the Henry County Chamber of Commerce

On Saturday, April 17, hundreds of volunteers will come together to make our community a better place by completing service projects throughout Henry County. If you would like your organization to be considered for a Hands On Henry Day project, please review this material and submit the project application below.

We are currently accepting applications from non-profit organizations, schools, community clubs, churches and public facilities in Henry County that need volunteers to assist with beautification or site improvement projects. Examples of projects include landscaping beautification and maintenance, entrance sign improvements, garbage pick-up, painting and playground equipment repair. To participate, return this completed application to the address below.
